Allyson Gonzales

Software Developer & Assistant Property Manager
Federal Way, WA 98023
Allysonmg21@gmail.com
+1 206 817 9428

• Developing beautiful web applications through my enjoyment of code. Although I am self-taught, the desire to create has driven me to enroll at the University of Washington for full-stack web development.

• A professional Assistant Manager at a 280-unit property, offers excellent customer service skills, telephone etiquette, and issue response. Knowledge in Yardi, Outlook, Microsoft programs, deposit accounting, invoicing, and fair housing laws.

Willing to relocate: Anywhere
Authorized to work in the US for any employer

Work Experience

Assistant Manager
Epic Asset Management - Federal Way, WA
December 2019 to Present

Providing excellent customer service to all with great telephone etiquette. Processing renewals, payments, notices, move outs, market surveys, and invoices. Maintaining the office in a clean and sanitary manner while staying organized. All while ensuring a close with each prospect to maintain occupancy.

Leasing Consultant
Apartment Advantage Staffing - Bellevue, WA
July 2019 to December 2019

Providing friendly customer service to residents and future residents while touring properties. Submitting maintenance requests while documenting information. Stocking any supplies while maintaining an organized and clean workspace. Some experience with Yardi, Excel, and MS Word. Three months experience at a tax credit property in assisting with recertification paperwork as well as new move-in paperwork.

Education

Certificate in Computer Science and Software Development
University of Washington-Seattle Campus - Seattle, WA
December 2022 to Present

High school or equivalent
Green River Community College - Auburn, WA
December 2020 to March 2022
